has to make the decision and then sink or swim with it, but let's not kick it around just to give the people who might have some desire to down grade us that much more opportunity. Let's go ahead and act on the bill and take the consequences.

SPEAKER: We still have under debate Senator Snyder's motion to return LB 204 to the standing committee for a hearing, and the Chair recognizes Senator Fred Carstens.

SENATOR FRED CARSTENS: Mr. President I'd like to ask Senator Snyder a question if he would yield?

SPEAKER: Senator Snyder would you yield?

SENATOR SNYDER: Yes.

SENATOR FRED CARSTENS: Senator Snyder when you ask to refer this bill back to committee for hearing, which committee did you have in mind?

SENATOR SNYDER: I have none in mind Senator Carstens, but I would imagine Miscellaneous Subjects, the first one that comes to mind, but I haven't given any thought to what committee would take that, the Executive Board has that authority.

SENATOR FRED CARSTENS: Well I was going to amend your motion if I may (inaudible) to the Executive Board for hearing, it's going to go to a committee of a, Executive Board (inaudible) committee and have it set before the Executive Board for hearing.

SENATOR SNYDER: No I would just as soon leave it to one of our standing committees, I realize you are trying to help me Senator Carstens. No I would just as soon, that we show our faith in the Executive Board by letting them make the decision as to what committee it would go to, and then of course, if we disagree with that we can always try to send it to another committee. I do appreciate your help.

SPEAKER: I'm not sure whether the Chair heard a motion or not. The Chair recognizes Senator Nore.

SENATOR NORE: Mr. President and fellow members, I would like to ask Senator Schmit a question if he would yield?

SPEAKER: Senator Schmit will you yield?

SENATOR NORE: How in the hell can we come to a, ask you about something when it's already a fact, it's been done, how do we find out about it, what you're doing in the Executive Board?

SENATOR SCHMIT: Well Senator Nore I'd suggest that if you didn't like what we did, you'd convey that thought to me and I'd be glad to listen to you.

SENATOR NORE: You mean in a couple (inaudible) after we read it in the newspapers, a week or so later?

SENATOR SCHMIT: Well whatever method you use to find out Senator Nore, is alright with me. You can ask me after every meeting what we have done and I'll be glad to tell you. We've always been able to visit very well.

SENATOR NORE: I'll try to keep that (inaudible) I'll try to keep track of it through the newspaper, that's the only information -

SPEAKER: Senator Nore, the Chair would like to remind you we're now debating the return of LB 204 to standing committee
